Reissue Applications

The person who signed the submission establishing ownership interest has failed to state his/her capacity to sign for the corporation or other business entity, and he/she has not been established as being authorized to act on behalf of the assignee. See MPEP § 324.

The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following:

The inventors residence and post office address have not been identified as the same and, as such, one or the other is missing. See 37 CFR 1.63.

Claims 1-17 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action.

SPECIFICATION

The text of the specification of the reissue application is incorrect as follows:

This text was added by a certificate of correction and, as such, does not need to be underlined. See MPEP 1411.01. Also note that July 17, 1997 is the correct date, not July 7, 1997.
